Education

inspired by http://www.shapeways.com/model/577677/rocket-espresso-cup.html i made a little rocket style egg cup holder

edit: eggrocket2 with slightly more rounded fins

Instructions

print if pissible with support @45% angle threshold, but should work even without.

the sketchup file needs some rework with netfabb/etc for prober slicing, atleast when using slic3r

Also if you own an EggBot you win 1000 internets if you plot nasa like liveries on the egg ;)
